

# Little Cougars Volleyball League

The Greenfield-Central High School volleyball staff will be hosting a 5-week volleyball league for current 5th-6th grade girls who are enrolled in our G-C school system or St Michaels. During the league our staff will focus on providing individual instruction of basic volleyball skills as well as teaching team concepts such as basic offensive and defensive systems. Our high school players will be assisting our staff in mentoring the girls and helping them learn and develop their court skills. We also plan to organize the girls into teams and then conclude the league with a tourney on the last night (Feb. 29).
