

Looking For a Preschool Program?

The preschool program located in J.B. Stephens Elementary will be screening for the 2012-2013 Typical Peer Program on **Friday, February 24, 2012 from 8:00 a.m. - 10:00 a.m.** If there is a **2 hour delay**, we will hold the screening. If school is cancelled, **the make up day** will be **Friday, March 9 from 8:00-10:00 am.**

This program is for pre-kindergarten aged children whose birth-date is between August 2, 2007 and August 1, 2008. Typical peers possess age appropriate skills and serve as good speech and social models for our special needs children. The children will be required to pass a speech screener. Applicants are chosen based on the speech screener performance and teacher observation. You will be notified on or before February 25 as to whether your child was selected or not. Should more applicants qualify than space allows, a drawing will be held to fill positions.

Our teachers are licensed teachers. There is a minimum of one teacher's assistant in each of the classes with two being the norm. While our classes usually start small, we typically have about twelve children per session.

Classes meet Monday through Thursday with a morning (7:20-10:20) and afternoon session (11:00-2:00) each day. Our monthly tuition is comparable to community preschools.
